ABOUT US

Bake With A Legend organise unique baking classes both online and in person across England, led by some of the most beloved bakers to have adorned our screens during their time on *The Great British Bake Off*.

If you're considering an activity for an upcoming birthday celebration, hen party, team building event, friends get together or simply looking for a class to develop your own baking skills, then look no further!

What started as a pilot event for a netball team in an East London kitchen back in 2016, led by the wonderful Glenn Cosby, star of the fourth series of GBBO, has blossomed into a company that organises high quality baking classes, led by over a dozen bakers, at top venues all around the country, as well as online.

We describe our classes as challenging, but not intimidatingly so. We believe that anyone can enjoy and learn when they bake with us, whilst of course putting the emphasis on fun and hearing all about our celebrity bakers personal journeys. We've held several hundred events and take huge pride in the 5* ratings and reviews that you can find online.

I hope you enjoy looking through our brochure, and we look forward to seeing you at one of our events soon!

Best Wishes,
Josh Landy
